## **JCGSS Swimming Gala**

On Tuesday, 8<sup>th</sup> October, the staff and students of Jockey Club Government Secondary School made their way up to Kowloon Tsai Swimming Pool to partake in the annual swimming gala. There was a hum of excitement that surrounded the pool, and the weather was perfect for a full session of swimming.

The Boys' Brigade started proceedings off with the raising of the school flag beside the pool, then the respective swimmers from each of the four houses made their way down to the competition area. The four houses were vocal in their support, with each house spurring their representatives on as they competed in the pool.

There were some remarkable performances over the day, as athletes stood out for their commitment and versatility in the pool. 3D Cheng Yuen Wai (Grade B) beat the school records in the backstroke. The day also climaxed in the Inter-class 4x21m relay races. With excited faces, everyone in the stand kept hurrahing at the top of their voices for their class. It was a day that celebrated physical activity, health and good sportsmanship.

The individual champions went to 6D Chau Cheuk Hang (Grade A), 3C Chan Yat Chi (Grade B) and 2B Wong Kwun Yan (Grade C) for boys; and 6B Wong Yat Sum (Grade A) and 3D Cheng Yuen Wai (Grade B) for girls. The Green House claimed the Overall Champion of the day, while the Blue House outperformed the others and was awarded the Best Cheering Team.

Our Guest of Honour, Ms Chung Mei-ling, the former School Management Committee's member and the current Social Service Activities Coordinator of the Hong Kong Lutheran Social Services, Lutheran Church – Hong Kong Synod, presented the trophies. Ms Chung congratulated the winners on their achievements and commended all the athletes on the sportsmanship they displayed on the day.

And as the Boys' Brigade lowered the flag at the end of the day, everyone was left to reflect on what had happened over the day – some thinking they gave everything, some thinking next year they could be more successful. Regardless, we were all thinking how much fun it had been to be together outside of school and enjoying ourselves.
