Hi Mary,

How are you? We're in Tokyo. There are many interesting places. There are many shopping centers. I've bought a souvenir for you.

Right now, I'm writing this at Palette Town. It's sunny. There are lots of places to go shopping at Palette Town. This morning, Mum, Dad and I went to the Ueno Park. We went to the park to take photos of beautiful cherry blossoms. And we went to see a wide range of animals at the zoo. I am so happy.

Now, we are going to have a walk in Ginza. Mum and I want to buy some new clothes. I am so excited. Mum, Dad and I will go to souvenir shops to buy souvenirs for you and our family friends.

Tomorrow, we want to go to Mount Fuji, we want to go there to enjoy the view.

Finally, see you soon. I will call you when I get back to Hong Kong. Bye for now.
