Hi Mary,

How are you? I am having a great time in Japan. There're many new things to do and see.

Right now, I'm at Ginza. My mum and I are in a fashion shop, I have to carry out many packets of clothes unwillingly. My dad and sister are going to the supermarket and tasting all the Japanese food, like sushi, sashimi and tempura, etc.

There are many places to go for sightseeing. This morning, my family and I went to Mount Fuji, there is a spectacular view. Dad was very busy. He took a lot of photos of us. There were so many monkeys. They were having a hot spring. They look enjoyable.

Moreover, tomorrow I will go to Ice Cream City which is in the Food Theme Park. I was excited when mum told me that we can go there!

Anyway, see you soon. I will call you when I come back. Let's go to Japan together next time!!!

Bye for now!

Tom
