

Writing a description for the class magazine about your life at secondary school.

My Life at Secondary School

My name is Tin Chi Yu, but you can call me Rhythm. I'm eleven years old and I live in Tsz Wan Shan. I have one brother but no sister – he is called Adrian. My hobbies are playing different sports games. My favourite sports are Rugby and Football. My favourite subject is P.E. because I like doing sports.

My new school has many new facilities, such as the Library and the Liberal Studies Room. My school also has many new subjects, for example Home Economics and Science. My school has many nice teachers too, such as Mr. Greer.

In my new school I have made some new friends too, for example Thomas, Peter and Donald. Thomas is a naughty boy, he is rich too because he goes to buy many snacks every day.
