

Writing a description for the class magazine about your life at secondary school

My New Life at JCGSS

My name is Zoe Lowery. My friends call me Zoe. I'm twelve years old and I live in Wong Tai Sin. There're six members in my family, including my parents, two brothers and one sister. When I finish school every day, I go swimming at YMCA. I practise swimming there three evenings a week. My hobbies are swimming, diving and reading. My favourite subjects are English and P.E. I like eating curried fish balls, pizzas and chicken wings. When I grow up, I want to be a policewoman because I like to help people.

My new school is called Jockey Club Government Secondary School. It's in Oxford Road, Kowloon Tong. It's a U-shape, blue and white building with five floors. At recess, I always play basketball with my friends at the playground. At lunchtime, I sometimes buy snacks at the canteen with my classmates.

One of my new friends I meet this year is Chloe Sze. She's twelve and she lives with her parents. She's my classmate and sits near me. Chloe's kind – she always teaches me to do homework. She likes dancing because she wants to keep fit. She doesn't like reading because she says it's boring.

I like secondary school so far. I hope I can make more friends here and get better results in the Uniform Test!
